Accelerating MSME Growth, Development and Sustainability
22-24 February, 2018
World Trade Centre Mumbai

## CONFERENCE | EXHIBITION | HANDBOOK | B2B MEETINGS | AWARDS | FIELD VISITS

## 3 Days | 25 Countries | 500 Business Leaders / Experts

Global Economic Summit 2018 will analyse the significance of Global Value Chains (GVCs) and Exports. In this age of globalisation, production and services network have transcended national boundaries and the entire world has become one integrated value chain. Companies across the world increasingly source intermediate goods and services from suppliers and service providers across the nations to gain cost efficiency. This Summit is structured with a view to provide an ideal platform for Indian MSMEs to discuss and explore joint ventures, network with government officials, PSUs, multinational organizations, exporters/importers, financiers and other stakeholders.
